Special Dietary Requirements

Reminder - parents/carers of children who have food allergies should complete a special diet requirement form (available for the school office) and return to school. This information is kept in the school kitchen which enables the canteen staff to ensure that children are served appropriate food.

Flu Inoculations

All primary school children will receive, subject to parental/carer consent, flu inoculation. This will take place in Melrose Primary School on Thursday 16th November 2017. The vaccine will be administered, as a nasal spray by NHS health professionals. Consent forms and information was sent home last week, these forms should be returned to school as soon as possible or **by Monday 18th September 2017**.
